

**Little Tennessee Native Fish Conservation Partnership  
Strategy Screen**

*A tool to help evaluate projects and proposals for partnership support*

<b>TOP TIER QUESTIONS</b>	
Does it benefit native aquatic organisms?	
Is it aligned with Partnership mission, vision, core values?	
Is it a priority or a strategic opportunity? <i>Consult strategic framework, geographic focus areas, and cost benefit considerations.</i>	
<b>ADDITIONAL QUESTIONS</b>	
Do we have or can we build the resources and capacity to do this? <i>Consider Partnership and individual Partner resources and project leadership and oversight.</i>	
Does engaging the Partnership increase the chance of project success? <i>Does it fill a gap? Would it be done even if we weren't around?</i>	
Does it bring in more resources vs. increasing resource competition?	
Does it give the Partnership momentum?	
Does it align with Partnership policies? <i>Consult policies on advocacy, fundraising, decision-making process, etc.</i>
